Map Production & GIS Analysis: PAHO-WHO/HSD/IR/Operations Alert & Response

This map is intended for general representation of data and geography and to be used as a navigation/exploration tool. Not for alteration, reproduction, publishing or distribution outside of PAHO-WHO and member states, without permission. The boundaries and names shown and the designations used on this map do not imply the expression of any opinion whatsoever on the part of the Pan American Health Organization-World Health Organization concerning the legal status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries. Dotted and dashed lines on maps represent approximate border lines for which there may not yet be full agreement.
